About Circular No.7/2016:

The purpose of this circular is to provide clear guidance to those persons with the responsibility for making decisions regarding ill-health retirement, and during the subsequent review process, as required by the Local Government Pension Scheme (Scotland) Regulations 2014.

Ill-Health Retirement Decisions

This guidance sets out the responsibilities of the employer when they make an assessment to ascertain if a member meets the LGPS criteria for ill-health retirement, under regulation 34 of the LGPS regulations.

It also sets out the responsibilities of the ‘Appointed Person’ to assist them when making a ‘First Instance Decision’, when they review an employer’s decision at the request of the member, under regulation 70 of the LGPS regulations.

It includes a checklist for both the 'First Instance Decision-maker' and the 'Appointed Person', to ensure that they meet the LGPS regulations and the requirements of the Pensions Ombudsman when making their respective decisions.
