

**TRANSFER OF SERVICE CREDIT FROM THE TEACHERS’ PENSION SCHEME (ENGLAND & WALES) TO THE SCOTTISH TEACHERS’ SUPERANNUATION SCHEME (STSS)**

Transfers between these two schemes are effected on a “day for day” basis. Consequently the reckonable service you have accrued in the Teachers’ Pension Scheme (England & Wales) will be aggregated with your reckonable service in the STSS and your retiral benefits will be calculated accordingly.

I elect to have my service transferred to the Scottish Teachers’ Superannuation Scheme and I understand that this will extinguish any rights to pension benefits payable from the Teachers’ Pension Scheme (England & Wales).

I do not wish to transfer my reckonable service at the present time.
